Resort and Campground
 ON LEECH LAKE

Moonlight Bay Resort & Campground, Inc. is a family operated vacation facility offering your family a great place to get away from the stresses of daily life. Bring your boat, or rent one of ours, and fish Leech Lake, which is famous for its trophy walleye, muskie, northern, crappie, sunfish, bass, and perch. For groups, we have a 24' pontoon to rent for a fun-filled day on the lake. A canoe, a kayak, and paddleboats are also available for your enjoyment.

There are other activities to entertain when not out on the lake. Take a swim in our heated outdoor swimming pool, shoot some hoops, play a game of horseshoes, or try your hand at shuffleboard. We have a playground for the children and a game room with a pool table, pinball machine, and video games in our lodge. High speed wireless internet service is also available. There truly is something for everyone. When the day is done, let the loons sing you to sleep under the majestic white pines and oaks that fill our campground.
